**A very warm welcome to visitors and friends to church as we celebrate together the birth of Jesus on this CHRISTMAS DAY.**

Greetings to our guests and church family. I'm really glad you are ALL here!!! If this is your first time or you are visiting, we hope that you enjoy time and go away encouraged. If you would like more information about our church community, please help yourself to a welcome/info pack that are available in the entry or speak to a member of our welcoming team.

Happy Christmas to you and your family today! Hopefully you have been singing and celebrating this season already. Singing is an interesting activity. One that captures and expresses our emotions, feelings, thoughts in a way other things can't. There is something unique about singing and if you have ever lost your voice or ability to singing at a gathering (some may wish I had) you may have really miss being able to participate in the experience. It is a deeply spiritual thing to sing. Many times in the Scripture we see people burst into songs of jubilation. Moses and Miriam, Isaiah and the Psalmists are some of the OT singers. In the NT, Paul often bursts into praise as he writes his letters and there was some singing clustered around the coming of the Christ too. Zechariah and Elizabeth (John the Baptism parents), Mary (Jesus' mother) and Simeon sang when he set eyes on Jesus.

The surprise in the Scriptures is to hear God sings (Zephaniah 3:17). Maybe not that surprising when we consider we are made in His image and undoubtedly our Lord Jesus sang often as part of His culture and being fully human. I hope that as you sing this Christmas and consider the amount of singing we do generally, that it may give you fresh insight, understanding, appreciation and permission to sing with joy.

**Lots of Love in the Lord,  
your singing Pastor, *Trent***
